

OUR FAMILY ROSE GARDEN!

*Before we were even born, each one of us
decided upon which family tree of Love will Blossom,
Bloom and spread the air with our sweet scent of perfume.*

*I chose you, you chose me, and we became a Family-Tree
Each one of us represent a bud of a Rose, beautiful colors
of Red and yellow, green and Blue, and that is me and you
and you.....*

*No mountain too high, no valley too deep, and no River
too wide to keep me from loving you.*

So remember we all need each other to shine, and live out this

*Life as our Dear Lord has design;
A family of Love to all mankind.*

*And Mother, you did just that. You were the center of this
Beautiful Rose Garden.*

*Your spirit of Love, your Strength and Grace is what have
brought our Family in place...*

Now we celebrate the Beauty of our Race.

**YOU
OUR DEAR MOTHER!
IS THE CENTER OF
OUR FAMILY ROSE GARDEN**

**ALTHOUGH YOU'RE GONE TO BE WITH THE LORD
THE LOVE YOU 'VE GIVEN US WILL NEVER DIE
WE LOVE YOU, DEARLY MOTHER**

*Dedicated to you, Dear Mom, from your loving family
created by your Loving daughter Rebecca-Elizabeth*
